President's Message

Education is not just about success, it is about character. Guru Gobind Singh Public School, under Guru Gobind Singh Educational Society, is a citadel of values, vision and veracity.

We do not just impart knowledge; we awaken the divine spark within every child. Here, education is a yajna where curiosity meets wisdom. In our classrooms intellect is awakened, on our playground's courage is built, and in our culture, heritage lives on.

We teach our children not just what to think, but how to think — with integrity, compassion and conviction.

Our campus is more than buildings — every classroom inspires, every lab innovates, every field builds resilience.

I thank all parents for their trust. Together, we will nurture not just scholars, but enlightened citizens who serve society with wisdom and humility.

May every child who enters GGPS find the courage to dream, the discipline to achieve, and the compassion to make the world nobler.

— Shri. Tarsem Singh, President, GGES

Shri. Surendra Pal Singh

Secretary
GGES

Secretary's Message

“Where wisdom illumines the mind and excellence becomes a way of life.”

Welcome to Guru Gobind Singh Public School, inspired by Sri Guru Gobind Singh Ji. GGPS is more than a school — it is a sanctuary where tradition meets innovation and knowledge blossoms into wisdom.

Here, every classroom breathes curiosity and every playground builds courage. Our students excel in JEE, NEET, Olympiads, debates, sports and culture.

With a green campus, smart classes, modern labs, library and sports facilities, we provide safe and inspiring learning.

True education builds character, creativity and compassion. Join us to shape your child's destiny.

— Shri. Surendra Pal Singh, Secretary, GGES

Principal's Message

Shri. Abhishek Kumar

Principal
GGPS Bokaro

"In the orchard of life, a child is a seed divine—meant not merely to grow, but to bloom in fragrance and light."

*Where dreams take root beneath the skies of hope,
Where every dawn awakens a thousand possibilities,
Where knowledge becomes the melody of the mind,
And character the everlasting fragrance of the soul—
There begins the timeless journey of true education.*

At Guru Gobind Singh Public School, Bokaro, we do not merely educate—we awaken. Each corridor echoes with curiosity, each classroom hums with purpose, and each heart beats with the rhythm of values. Academic brilliance is not a happenstance here—it is the fruit of unyielding discipline, tireless mentorship, and unwavering pursuit of excellence.

With state-of-the-art infrastructure, vibrant laboratories, rich libraries, digital classrooms, and verdant spaces for sports and arts, our school is both a cradle of thought and a theatre of action.

Our shining results in AISSE and AISSCE bear testimony to the seamless synergy between visionary management, devoted educators, and ever-supportive parents. Together, as co-gardeners of young minds, we nurture not only intellect but integrity, not just success but substance.

We believe that education is not the filling of a pail, but the lighting of a sacred fire—where wisdom guides, virtue reigns, and every child learns not merely to make a living, but to craft a life.

— Shri. Abhishek Kumar, Principal

Teachers are the silent architects of young minds, and they too deserve a moment to pause. Svasthya & Shanti is a weekly wellness initiative of the Primary Wing for the holistic well-being of our teachers. Through yoga, breathing exercises, mindfulness and relaxation, each session helps them breathe, rejuvenate and rediscover inner harmony.

"When teachers breathe with serenity, classrooms bloom with vitality."

Storyweavers

Stories that came alive! In colourful costumes and with hand-made props, our young storytellers of the Primary Wing shared tales of honesty, kindness and sharing with clear voices and confident smiles — each ending with its moral held high for all to see.

Fancy Dress

Theme: Flowers

In Full Bloom

The tiny tots of Pre-Nursery blossomed on stage in the Fancy Dress Competition on the theme "Flowers", held under the banner "Indradhanush". Dressed as sunflowers, lotuses, marigolds and roses, the children confidently spoke a few lines about their flowers and won every heart with their confidence and creative costumes.

Healthy Food vs Junk Food

A Plateful of Fun!

Tiny tots of std I turned the stage into a colourful food court! On one side came crunchy **chips, noodles, pizza and ice-cream**; on the other, **grapes, eggs and fresh fruits**. Speaking clearly into the mic, our little food ambassadors weighed taste against health — and the message rang out loud and clear: **say yes to healthy food!**

Mythological Characters

When Legends Came Alive!

Mythology stepped off the pages and onto our stage! Dressed as **Ram, Sita, Krishna, Shiva, Durga, Ganesha and Saraswati**, the children of Class II spoke about their characters with poise — reminding us all of the courage, wisdom and kindness our legends stand for.

Freedom Fighters

Little Freedom Fighters!

Class III marched straight into history! **Gandhiji with his staff, Bhagat Singh, Subhas Chandra Bose, Rani Lakshmibai** and brave warriors with swords — even Kalpana Chawla reaching for the stars — introduced their heroes at the mic with pride and courage.

Popcorn & Movie Time

Lights, Camera, Popcorn!

Our hall turned into a cinema! The little ones settled down on the floor with **popcorn boxes and tiffins** for a special screening. Laughter rippled through the rows and snacks were happily shared — a sweet break from books that our children will long remember.

Little Nightingales

Costumes, couplets and plenty of courage — our youngest voices take the stage.

Little Nightingales, the English Recitation Competition, gave the tiny tots of the Primary Wing a stage of their own. In bright costumes and with colourful cut-outs, the children recited their poems with rhythm and expression. The Principal and teachers cheered every effort and presented certificates to the winners.

Little Hearts, Great Bonds

Krishna Dance by the Tiny Tots

When Little Hearts Bloomed and Great Bonds Deepened

"Education blossoms most beautifully when the hands of the school and the hearts of parents unite in nurturing the dreams of childhood."

The Primary Wing hosted a vibrant Open Day that turned the campus into a joyful meeting place of learning and togetherness. The Tiny Tots opened with a graceful Krishna Dance, followed by a confident Story Presentation by eight young storytellers under Rang Manch. The "A Treasure Box of Letters" postcard activity and the "Arranging the Shapes" game invited parents to create and learn alongside their children. The day strengthened the bridge between home and school, leaving behind smiles, cherished memories and renewed bonds.

Together, we nurture dreams, celebrate every little triumph, and illuminate the pathway from innocence to brilliance.
